

KYLE SCHOENER

STUDENT, RESEARCHER, TEACHING ASSISTANT

About Me

I'm Kyle. I love the outdoors and exploring nature with my friends. I take videos and pictures as a hobby and upload them to the internet sometimes. I'm also an avid programmer looking for an internship to learn even more about the industry. I'm very outgoing and personable and can get along with anybody. I'm most excited to meet and work with new people through an internship!

Employment

University at Buffalo: Blue Research Group
Research Assistant May 2015 to Current
Profile: <https://blue.cse.buffalo.edu/people/kylescho/>
Project: <https://blue.cse.buffalo.edu/projects/jouler/>

Working on the Jouler project. Using machine learning to predict battery trends in android smartphones. The goal is to be proactive about energy consumption, ensuring the battery doesn't deplete before the user is expected to charge their device.

University at Buffalo: CSE Department
Teaching Assistant Aug 2016 to Current
Teaching Assistant for CSE 199: Introduction to the Internet
My responsibilities include holding/aiding students in recitation and creating activities for the students to do in lectures and helping the students through these activities.

Lynx Technologies
Intern Apr 2014 to Current
Set up and deployed a fiber network for a large school. Interacted with customers face to face.

Projects

Pantry Partner Mar 2016
Track what you have in your pantry as well as their expiration dates!

Perfect Toilet Time Aug 2016 to Current
Crowd sourced bathroom locator with review system. In select locations (ex. University at Buffalo's campus) the user may notify maintenance anonymously about an issue. (Under Development)

Command Line Messenger Oct 2016 to Current
Currently working on creating a command line messenger interface for Discord. I currently have a good interface for the messenger, now I'm just working on scraping the data from Discord so that the program will be able to send and receive messages.

Activities

University at Buffalo ACM • Member Sep 2014 to Current
Running / Exercising / Hiking 2013 to Current
